

FenceGuard

Ready for every hit, kick, and throw!

Provide your athletes with unmatched safety, ultimate protection, and high-quality products. With the right matting, your team scores every time with the assist of our **FenceGuard**. Our **1/2" thick mats** comes in all different sizes based on your needs.

They can be **easily tacked or mounted** onto any wall or fence creating a **durable barrier** that protects against fast-moving objects during practice sessions.

Perfect for **absorbing the impact of pitches or throws**, these mats shield any surface from damage while maintaining its integrity, and ensuring your facilities stay in top shape.

BENEFITS:

- ✓ Increased safety measures
- ✓ Easily tacked to any surface
- ✓ Provides insulation
- ✓ Extremely flexible rubber
- ✓ Available in multiple sizes
